Re: Choir Members:

Mrs. Leroy Thompson,
Hillcrest Avenue,
Stelton, N. J.

Mrs. Thompson informed me that she had been a member of St. John's choir for a number of years and was active around the church until Easter of 1922, after which time on account of her home duties, she withdrew.

She was well acquainted with Rev. Hall and Mrs. Mills and attended various church affairs and social gatherings at which they were present. That at these affairs she had seen Rev. Hall talk to and dance with Mrs. Mills, but as a matter of fact, he would talk to and dance with all of the women present and there was nothing in his actions toward Mrs. Mills which indicated in any way that there was any unusual friendship existing between them.

In all of her time around the choir she had never observed or heard mention of any intimacy between the parties in question.

Mrs. Thompson, who was formerly a Miss Hussey, I believe, went on to relate how her mother had been left a widow with several young children and of the many charities bestowed upon them by Mrs. Hall and her husband.

Respectfully submitted:
